Dear Mr. Emberger,

Please accept our gratitude for the generous gift of \$ 500.00 to the Chester County Food Bank. Your gift will be used to support the many programs and services that we provide for the more than one in ten people who suffer from hunger in Chester County.

Last year, the Food Bank distributed more than 1,000,000 pounds of food to people right here in our own neighborhoods. The need is great! Older adults, children, pregnant women, workers – people of all ages and walks of life find themselves lacking food and needing help. Because of your support, we will be able to serve more people in more ways, and reduce the incidence of hunger by helping families, especially our children, have the nutrition they need to do well at school, work and in life.

Thank you again for your generous gift, and for making such an important difference in the lives of so many. Together we can make hunger a thing of the past in Chester County, and help families have the health and nutrition they need to thrive and flourish.

Sincerely,

Larry L. Welsch

Executive Director

Thank you for this tremendous gift!
